Dear Applicant,

Thank you for considering NMBCH as a potential mission ground for your family. As you pray and seek the Lord’s leading, here are a few things we would like you to consider about our ministry. First, we do not take the hiring of direct care staff lightly. Our Houseparents are on the front lines of this ministry. They serve as the primary spiritual leaders, caregivers and examples of Christ to the children in our care. Houseparents are granted a tremendous amount of trust and responsibility. Therefore, our application and preliminary decision process is in-depth and can often feel invasive. Please understand that this is meant to provide the best possible care for the children entrusted to us.

Secondly, at NMBCH, we are a staff committed to spiritual growth in ourselves and each other. We value honesty, integrity, teamwork and a willingness to learn. We are working towards an environment that promotes maturation in all areas of our spiritual walk. Successful candidates will embrace growth and are open to being challenged. In addition, they must have a firm grasp of the gospel and understand, as Christians, it impacts every area of our lives.

As we embark on this journey, our hope is only that God be glorified.

In Him,

NMBCH Administration and staff
